Abstract.

Refugees from Pakistan- Payment of allowances in cash instead of rations- Orders passed.

G.O. Ms. No. 1164.

Dated 11-5-1948.

Read:

G.O. No.3461 Public (Genl), dated 26-11-47.

O R D E R:

In the G.O. read above the Government directed that the system of paying allowances to refugees be stopped and that the rations and clothing as prescribed by the Government of India be supplied to them. In regard to the supply of food rations, the Controller of Emigration pointed out certain practical difficulties in distributing the various items of ration according to the prescribed scale and maintaining accounts therefor for purposes of audit. Thereupon the Refugees Relief Committee Madras favoured an arrangement by which communal cooking would be introduced in camps and rations supplied in bulk through the established depots. Pending decision on this proposal, the system of paying allowances equal to the cost of food rations according to the prescribed scale was allowed to continue. The Government now find that it is not possible to introduce the system of communal cooking in camps at present. They therefore direct in modification of the orders in the G.O. read above that the system of paying the refugees allowances equal to the cost of food rations including fuel soap and matches allowed by the Government of India from time to time be continued.
